

CRITICAL INFORMATION SUMMARY

SUPER MOBILE PLAN

SUPER MOBILE PLAN

Critical Information Summary

Information about the service

Here's a quick summary of the important bits about your **SUPER** mobile plan. It covers things like the inclusions and how much it costs each month.

This is a post-paid mobile phone service, which gives you access to our network, a mobile phone number, and let you make and receive calls, send and receive messages, and have access to mobile data.

Minimum Term 1 Month

What's included and excluded

Unlimited national call value - with your monthly plan allowance you can make unlimited standard national calls to fixed and mobile numbers, including unlimited standard SMS and photo MMS, voicemail retrieval, and calls to 1800 and 13 - 1300* numbers.

Your unlimited included value **cannot** be used for making calls and sending SMS/MMS to international numbers, video MMS, calls to satellite numbers, usage when roaming overseas, among other assistance and special numbers. These will incur excess usage charges to your monthly bill.

Calls and SMS/MMS to premium numbers (e.g. 19xx numbers), Sensis calls or other content charges (including third party charges) are barred.

40GB included every month to access the mobile data network. Unused data expires each month and cannot be used while roaming overseas.

Included international call value - unlimited minutes every month to call landlines and some Mobiles in 15 countries. Unused minutes expires each month and cannot be used while roaming overseas.

Included countries are listed. Calls to landline and some mobile numbers are included, unless otherwise stated:

Hong Kong#	Canada	Germany#
China#	Greece#	Indonesia#
Vietnam#	India#	Malaysia#
New Zealand#	Ireland#	Singapore#
United Kingdom#	USA	Thailand

#includes calls to mobile

Information about pricing

The minimum monthly charge for a 1 month term is **\$55** Excess Usage charges apply if you use more than your included data, or make calls, send SMS/MMS to any of the non-included numbers, and when roaming overseas. If you wish, opting in to Zero Bill Shock will allow no excess usage charges against your monthly bill**.

Your monthly charges and inclusions are metered and billed from the 28 to 27 of each month. Any plan upgrade or downgrade made on days other than the 27th of any month will be fully charged on the day of the change (current month) and on the 28th (month in advance). Please refer to billing details.

Early termination

The total amount owing will be the cost of any usage incurred up until the time of cancellation plus the minimum monthly charge and the respective.

SUPER MOBILE PLAN

Critical Information Summary

Standard calls, SMS/MMS and data charges

Standard Call	Free of charge
Standard SMS/MMS	Free of charge
Data	If you exceed your 40GB Monthly included value, you will be charged \$0.03 per MB. Sign up to 1GB Auto bolt-on to have \$10/GB

Using your service overseas

Your monthly included call and data value do not include usage while you're overseas, so you'll be charged separately for this usage. Roaming Data bolt-ons and Roaming Voice packs are available to be used overseas.

Roaming is not available in all the countries. Please refer to the International Roaming Sheet for more information.

Additional Features

Roaming and Domestic data bolt-ons, as well as Roaming Voice packs are available for this service.

Please refer to Additional Features Sheet for more information.
